MASSJCL PRESIDENT · 2026–2027

AAHIL HASAN

SALVE

My platform, one letter at a time.

S

STATE & LOCAL OUTREACH

Strengthening Connections Across the Circuit

I will launch idea exchanges between local JCLs, a resource timeline, and a peer-mentorship system so new chapters have real guidance. We grew Shrewsbury JCL from one certamen player to ten state convention delegates this year. I know how hard that climb is, and I want to make it easier for everyone.

A

ALUMNI CONNECTIONS

Anchoring Our Community to Its Roots

We built a spreadsheet of SCLers and engaged them for Giving Tuesday, and they gave generously. As President, I will launch exclusive alumni newsletters to keep former members informed, connected, and invested in the future of this organization.

L

LISTENING TO IDEAS

Leading with Open Ears

Every member deserves a real way to share feedback, positive or constructive. I will add a standing feedback form to the president's email signature so anyone, from any chapter, can reach leadership easily. Your voice shapes this organization.

V

VISION FOR FUNDRAISING & SERVICE

Vaulting MassJCL's Impact Forward

As Treasurer, I launched Chipotle Dine-Ins, Silent Auctions, Giving Tuesday, and grocery gift card drives, raising $5,000+ in a year for scholarships and convention support. I'll keep that momentum going, explore read-a-thons and walk-a-thons, and introduce service projects like letter-writing campaigns for hospitals.

E

ENTERTAINMENT

Energizing MassJCL with That's Entertainment

Let's bring back the beloved That's Entertainment showcase, a night where students across the state perform, laugh, and celebrate together. Having written every officer skit this year, from Nationals to Kickoff to Classics Day, I know how to craft moments that bring a room alive.
